Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

In answer to your letter of May 13th, we can use as many posters as you want to send to Newark, I think about 300 will be enough.

If The Yankees plan to use Satchell, please arrange for The Eagles and Elites to play in Baltimore. I certainly could not be asked to play with Satchell pitching against us, after all the devil I went through about him. After all I really spent some real cash for him and each time he promised to show up and disappointed me, he cost me a lot of cash and embarrassment.

I have a catcher I am going to let you have, if you want him as soon as Young reports. I expect Young this Sunday or next. I am letting you have Parks because I want to help you, and because I know you can do more to get things straight than any one else in this Organization. I really should ask some cash for Parks, but I know you would not be disposed to pay any, so if you accept him, please feel that you are indebted to me and sometime you may be able to do me a favor.

I hope we will have a nice day Sunday. We beat the Cubans yesterday 10-2. Will have the scores phoned to you Sunday.

Very truly yours,
